

Seymour Community Swim Club
Meeting Notes August 11, 2008

The meeting was called to order by Dan Steffes. The minutes were read and approved. (Jenny/Sheri) The treasurer's report indicated a balance of \$2690.35. The report was approved. (Marc/Jenny)

OLD BUSINESS:

Marc will purchase additional ice cream for the swimming sales. The Burger Sale went well with Don's still to handle the monies.

Mock Meet went well with many kids coming that hadn't been to a Swim Club practice or meet before. A pamphlet is created and ready to go for upcoming Swim Club. The website needs to be updated for easy access for all of us.

NEW BUSINESS:

Sarah suggested a contest for the new T-shirt design to be done during the off season. Start thinking of such a design for the September meeting.

The float turned out great with everyone having a great time. Next year we need 1000 icies, separate first.

The starting date depends on the ending of the Girl's Swim Team. We are looking at November 3 as a starting date and going through February. We are guaranteed Monday, Tuesday and Thursday by the pool. We are looking at the possibility of Fridays before a meet. Val can cover November 10th. Youth night is Thursday, September 11, 2008 at 6:00pm. Youth from Swim Club will be introduced at the home meet against New London.

The Mock Meet and Registration will be tabled until the September meeting.

Seroogy's Candy Bars, a Barnes and Noble Day, something for Valentines Day and pledges for swimming laps were discussed as fund raisers for this year. Further talk will continue at the September meeting.

Sarah's contributions to the Club were greatly appreciated this season. Bobbie made a motion to give Sarah the amount of money we had given in the past plus 20%. (Jenny/Sheri) Motion passed.

Meeting adjourned at 7:10pm.

Members present were Katie Hodgden, Jenny, Darold, and Lucas Moeller, Marc Klawiter, Dan, Sheri, Cheyenne, and Jesse Steffes, Bobbie and Aubrey Buckholtz, Kent, Val, and Leisha Abel, Sarah Tracy, Wenona Miller, and Darwin Isaac.
