

Seymour Community Swim Club Meeting
September 12th, 2005
Seymour High School Aquatics Classroom

Present Adults: Sarah Tracy Steve Weyers Peggy Schultz Pam Meulemans
Bob Belter Carrie Gorges
Club Members: Brooke Belter

Call to order: The meeting was called to order by S. Tracy @ 6:35 p.m.

Attendance: Attendance at the monthly meetings and at club sponsored events is low. We would like to get more people involved so the work/time involved is less for everyone. If you have any suggestions on how to accomplish this, please let one of the committee members know. The activities of this club may depend on more people getting involved. We have some very dedicated people, but we must get more involvement. Carrie G. suggested we submit a letter to be put into the schools newsletters that go out each month. We will print an FYI letter to be sent to the Middle School, Rockledge, Black Creek and Saint John's. The letter will include info on the club, the winter swim session and advertising that sign-up will be at the October meeting. Discussion also included the possibility of hanging posters up prior to the meeting. Those will be created and hung on all doors leading into the schools.

Suits: We have 3 or 4 options for suits that should keep the price at or around the \$20 range. We are trying to determine the best quality suit. Cost for screen printing is around \$2.00 - \$2.50 per suit. We will only order the suits when we have team members place their orders. We will be collecting the cost when the suits are ordered.

Youth Night: September 13th will be our Swim Club Youth Night. We will recognize the members of our swim club that are at the swimming meet against New London. Club members will be brought out prior to the diving competition. The club will sponsor juice and cookies after the meet. Steve Weyers will pick up the cookies and juice. Carrie Gorges will make some phone calls to club members to remind them of the date and time.

Busses: A suggestion was brought up at the last meeting to look into busses for swim meets. This may help to get more members involved. Steve Weyers talked to Bob Huettl (Huettl Busses) and he was advised to check through the High School for Club prices. Steve will check with Mark Zahn and then contact Mike Huettl if additional information is needed.

Logo: There were only 3 logos submitted. A vote was taken and the logo was unanimously decided on. The logo is Wilma.

Meeting: The next meeting will be held on Monday, October 10th at 6:30pm in the Aquatics classroom at Seymour High School.

Facilitator: Sarah Tracy

Recorder: Steve Weyers
