

Seymour Community Swim Club Meeting
Monday, February 12, 2007
Seymour High School Aquatic Classroom

The meeting was called to order at 6:39 pm by President Connie Boerst. Minutes from last meeting were available and accepted.

The treasurer's report was given with a balance of \$3,097.87

There was discussion regarding our most recent swim meet held here on January 27. It was our triangular meet with Brillion and Sheboygan Falls. Sheboygan Falls came in overall at first place, Brillion at second, and Seymour in third. There was an issue with children not being signed up for the meet and then showing up at the meet expecting to swim. This caused problems with our scoring and meet software.

The Seroogy chocolate fundraiser continues.

Swim practice schedule was available and discussed.

The swim a thon is being held off until the summer session. Bob Belter and Ken Hodgden will present information at a later date.

The end of winter session banquet will be held during the regular meeting time on April 9 at 6:00 pm. This will include the regular club meeting which will also serve as our annual meeting with new officer elections. We will need to purchase beverages for the banquet and also send out a postcard to notify participants.

Our last meet will be here on Saturday, March 3 against Shawano. Warm ups will be at 9:15 am with the meet starting at 10:00. There was discussion of charging for individual events for meets in the future.

We plan to do another brat fry at Don's as a fundraiser, more info to be coming. There was discussion regarding software to link the scoring and timing system which would cost about \$300. Perhaps there is a possibility of splitting the cost with the school.

Paula reported that our non profit status has been approved.

The dates for the summer program are yet to be determined. We are waiting for dates from pool director, Kim. Finding coaches and organizers is a priority.

Our next meeting will be Monday, March 12 at 6:30 pm.
